Course Policies:

Make Up Work:

If you are absent, then you are expected to make up the work that you missed. You have as many days as you were absent to make up your work. For example, if you missed two days, then you have two days to make up your missed work before it becomes a zero. It is your responsibility to see me to get missed work, schedule time to do a make up a quiz/exam, or complete make up time. Please see me before or after class to make these arrangements.

Make Up Time:

If a student needs to make up time, it must be minute by minute. I will be available after school from 3:15 to 4:15 to assist with make up time or tutoring. You may also attend Tiger Time. However, you must schedule time to come after school. If you do not schedule a time, I cannot guarantee I will be available. As soon as you miss five days,

you should start making up time. Do not wait until the last minute, or you will not be able to make up all of the time.

Extra Credit:

From time to time, extra credit assignments will be given. Extra credit can be earned from participation in a review game or by consistent positive behavior over a school week.

Late work:

Students may only turn in late work if they have been absent from school. Otherwise, I do not accept late work. I give a reasonable amount of time to complete assignments, so students should not have to turn in work late.

Attendance:

According to Randleman High School attendance policies, three tardies equals one absence. After five absences, students are required to make up time by schedule time after school with their teacher. Once a student has reached ten absences in any particular class, they may automatically fail the class.

Behavior:

Students are assessed by their behavior daily. In each class, student are given a sheet that allows student to score their behavior during the period. Students may earn up to five points per day or 25 points a week. Students are graded on being on time, being respectful to others, sowing effort, following directions and cooperating with others.

Remediation/tutoring opportunities:

I am available after school from 3:15-4:15. Student may stay after school and attend tutoring as long as I am available. You must talk to me to schedule a time.

Assignments for the Semester: TBD
